Dear Mr. Florin Ilia,

Please accept my warm congratulations on winning a gold medal for the application "Kazakhstan, Land of the Great Steppe" at the World Summit Award 2016.

This prestigious achievement proves the hard work and continues commitment of Your company to develop software that brings progress to society through innovation and involvement.

Please convey my best regards and wishes to Your high professional team.

Taking this opportunity, I wish You strong health and further success in Your professional activities!

Sincerely,

Daulet BATRASHEV
